

SHARED-TIME PROGRAMS FOR HIGH SCHOOL JUNIORS AND SENIORS

*Focus on the skills needed for a meaningful career - spend part of every school day involved in hands-on training.
Be better prepared for college - many OCVTS programs offer transferrable credits for college-level work.
Be better prepared for life! OCVTS offers focused learning, job-readiness skills, opportunities to challenge yourself!*

It's never too early to plan for your future! If you are looking to take your education beyond the classroom, discuss your options with your guidance counselor and create a game plan. It is important to review NJ high school graduation requirements and include required classes during your freshman and sophomore years. This allows time in your schedule to attend OCVTS as juniors and seniors.
