With locations in Toms River and Whiting, Jersey Coast Air Conditioning, Heating and Appliance have been in business for thirty-four years. Owner Ralph Wolff is an advocate for the Ocean County Vocational Technical School. “Sal came to us with very good core knowledge in HVAC-R (Heating, Ventilation, Air Conditioning and Refrigeration). He is punctual and willing to learn all aspects of appliance repair,” commented Ed Baron, Service Manager at Jersey Coast Appliance.

Rob Doherty, Instructor of the HVAC-R Program stated, “Sal quickly grasped the industry and was a Silver Medal Winner at the Skills USA Competition. Sal was easy to work with and I don’t worry about him making in the industry. I see him one day managing a company or owning one.”

Sal Scarleto completed the HVAC-R Program at the Brick Center with a 95 average. Thinking back at his time at vocational school, Sal commented, “Taking Mr. D’s HVAC-R class taught me the basic techniques and truly prepared me for a career in HVAC-R and appliance repair.”
