OCVTS Program: Automotive Technology, Jackson Center – Frank Storholm, Instructor

Student: Tyler Webb (left)

Employer: STS Tire & Auto Centers, Lanoka Harbor - Dennis Reagan, Manager (right)

Website: [ststire.com](http://ststire.com)

STS Tire & Auto Centers have been in business for fifty-six years. They pride themselves on timely repairs and excellent customer service. Dennis Reagan, manager has been with STS is Lacey for over twenty-five years. Speaking from experience, Dennis was proud to showcase one of his employees, namely, Tyler Webb. He commented, “Tyler is a reliable and conscientious employee who is eager to learn. Tyler has a great attitude with a good base entry-level knowledge of automotive technology that he received at the Vo-Tech.”

Frank Storholm, the Automotive Technology Instructor at the Jackson Center agrees with Dennis Reagan. While in his automotive class, he said, “Tyler participated in the CIE (Cooperative Industrial Education) Program offered at OCVTS. This gave him the opportunity to work and attend vocational school. He won the STS Jack Apgar Award.” Congrats!

When asked to comment, Tyler said, “OCVTS was a great start in helping my career. Attending the Vocational School has prepared me for the workforce in automotive technology in many ways. STS is a great company to work for. They have helped me achieve my goals with ASE courses and I am able to continue my education by taking classes offered by STS.” He certainly has reasons to smile!
